## ORDER

Donna Jo Redburn v Kirk R Redburn

Docket No. 281774

LC No. 03-048758-DZ

The Court, acting under MCR 7.203(F)(2), orders that the motion for reconsideration is DENIED. First, the fact that the parties had a different interpretation of the pension provision in the 2004 judgment of separate maintenance did not make the 2004 judgment a nonfinal order. Even accepting appellant's claim that the 2004 judgment of separate maintenance did not resolve the pension, a review of the lower court record and the transcript of March 20, 2006, shows that the issue regarding the supplemental pension was resolved in 2006. The fact that the successor judge modified that decision in 2007 does not make the 2007 order the first order disposing of the claims of the parties. See MCR 7.202(6)(a)(i).
